

P.E.R.S. Personal Emergency Response System

MAINTAIN INDEPENDENCE

Maintain your independence while ensuring that assistance is only the press of a button away.

EASY TO USE

Press the button and our EMT certified operators will communicate with you and dispatch the required emergency personnel or family and friends.

2-WAY COMMUNICATIONS

The advanced 2-Way Voice Speakerphone allows you to communicate with emergency personnel anywhere in and around your home.

Emergencies can happen anywhere in one's home and even in the yard or driveway. The Multiguard Personal Emergency Response System will allow one to call for assistance instantly and efficiently from anywhere in and around their home. Simple one button activation from the water-resistant emergency pendant.

System & Service Features

- 2-Way voice communications from the pendant
- Water-Resistant
- Fully Supervised, including low battery notification
- Rechargeable Lithium-Ion batteries
- Optional Wall Mount Communicator can be mounted near shower or next to bed.
- Operators are certified EMT's (Emergency Medical Technicians)
- Wear the pendant around your neck, on your belt, in your pocket, or strapped to a wheelchair arm.
- Simple DIY installation or optional professional installation.
- Compact Pendant Design: 2.8" High x 1.5" wide x .75 Thick

- **Revolutionary 2-way voice emergency pendant:** Communicate with emergency response personnel when you need them most.
- **Rechargeable Battery:** Two Lithium-Ion Batteries are included and operate up-to 4 months per charge. Second battery charges on base station while the first battery is in use.
- **Supports Multiple Devices:** Supports any combination of pendants and emergency wall-mount communicators (maximum of 4 total devices)

Coverage in and around your home
